

African Spectrum Allocation Chart (AfrISAC)

Le Graphique d'Allocation du Spectre pour l'Afrique (AfrISAC)

AFRICAN TELECOMMUNICATIONS UNION L'UNION AFRICAINE DES TÉLÉCOMMUNICATIONS

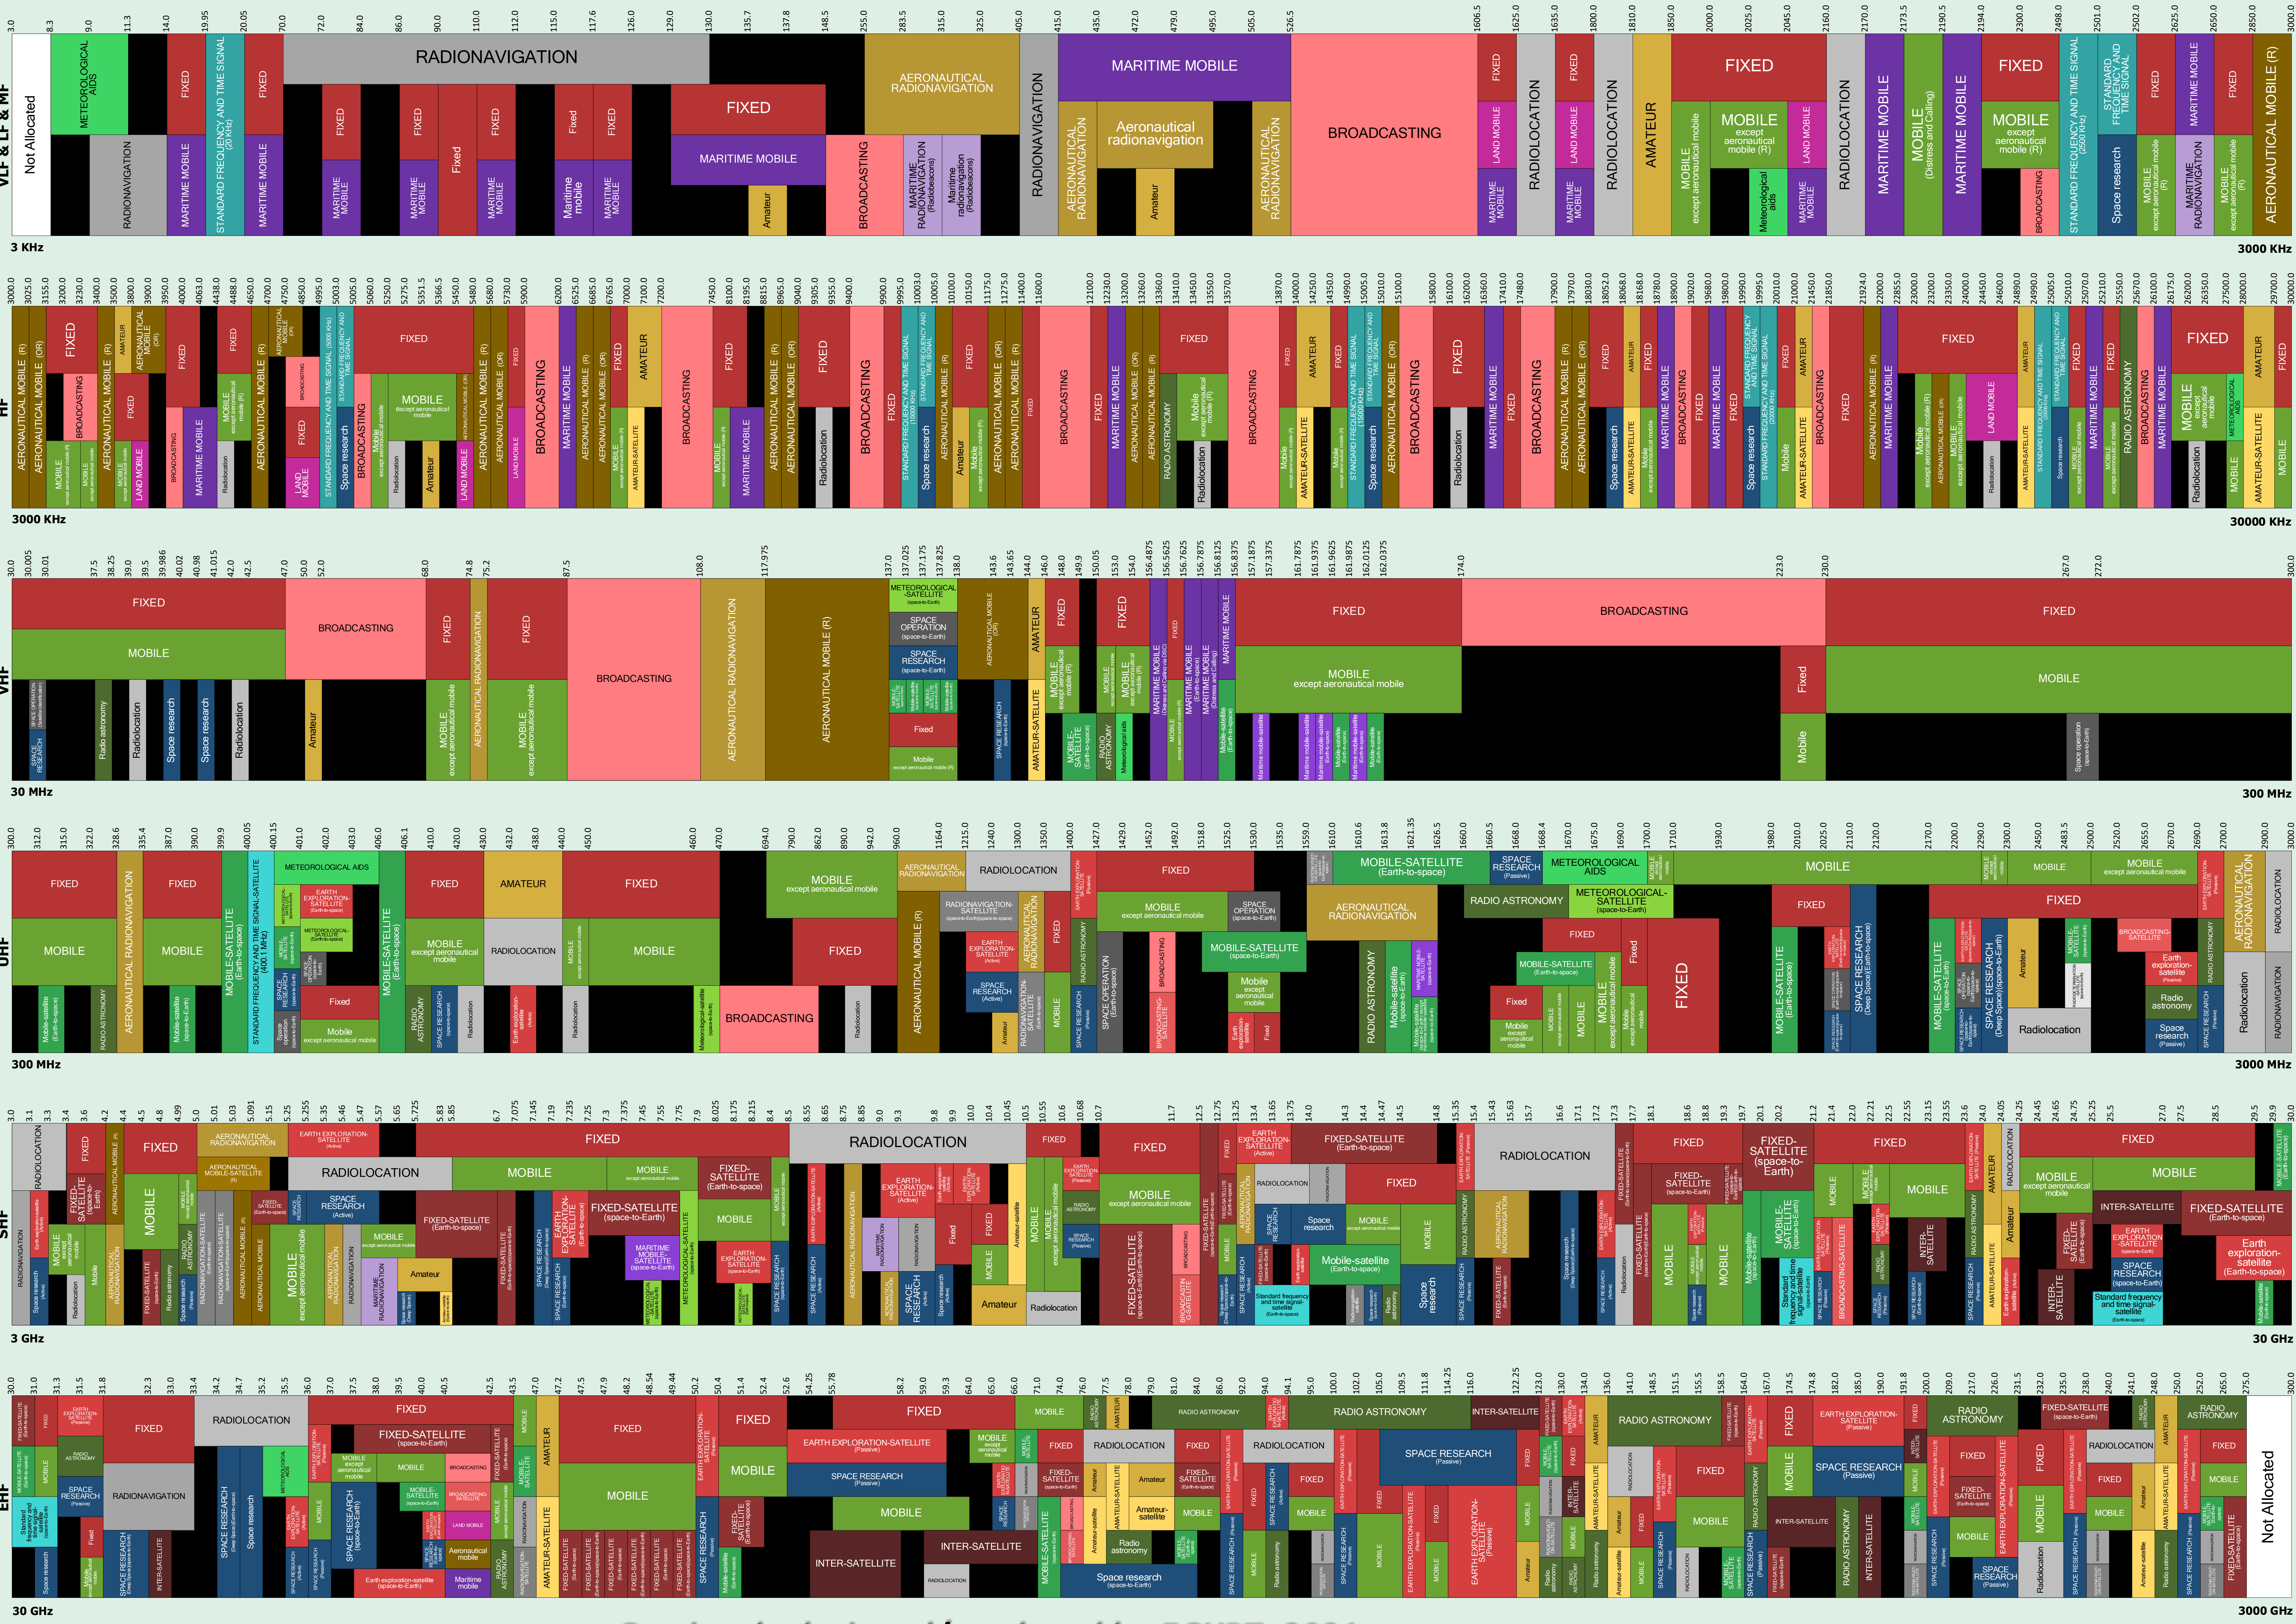

This graphical chart represents the spectrum allocations to Radiocommunication services in the African Spectrum Allocation Plan (AfrISAP) that is issued by the African Telecommunications Union (ATU) in 2021.

Details of these allocations and their relevant regulatory provisions can be further consulted by referring to the published version of AfrISAP document.

The legend below identify these allocations by color, noting:

- Primary services appears in capital letters (e.g.: FIXED).
- Secondary services appears in normal letters (e.g.: Mobile).
- Letter "R" is used between round brackets (R) to reflect (ROUTE).
- Letters "OR" are used between round brackets (OR) to reflect (OFF-ROUTE).
- Similar adjacent allocations have been merged together. The black areas in this chart does not represent particular service.

NOT ALLOCATED	MARITIME RADIONAVIGATION
AERONAUTICAL MOBILE	METEOROLOGICAL AIDS
AERONAUTICAL MOBILE-SATELLITE	METEOROLOGICAL-SATELLITE
AERONAUTICAL RADIONAVIGATION	MOBILE
AMATEUR	MOBILE-SATELLITE
AMATEUR-SATELLITE	RADIO ASTRONOMY
BROADCASTING	RADIO DETERMINATION-SATELLITE
BROADCASTING-SATELLITE	RADIOLOCATION
